Dear fellow residents of Bernardo Heights

Exciting news from the clubhouse. We are working for you.

- With the Heights Golf Club all around us, your board is pleased to announce a partnership entitling our CABH members to use the Heights social facilities at a greatly reduced rate. Please see the attached Golf Club flyer for details and we hope to see you there.
- Pickleball is gaining tremendous popularity. Your board has arranged with our in-house coach pro, Brandon, a discount on pickleball lessons. He is also offering discounted tennis lessons. Please see the attached Pickleball Tennis flyer for details
- Get in shape for the summer. Your board has recently negotiated an agreement with a trained fitness instructor to provide private lessons for our members at our fitness center. Please see the attached Fitness Instructor flyer for details

We hope to see you around,

For the Board,
